

Step 1

Sign into MyLDC, navigate to the profile tab at the top of the MyLDC page.

Once on your profile page, click "Notifications" tab as shown below.

The screenshot displays the MyLDC Customer profile page. On the left is a dark sidebar with navigation options: MyLDC, Clients (Active, Pending: 106, Deactivated), Employees, Client Documents, Bids & Markets, Notification Logs, and SMS Notifications. The main content area is titled 'Customer' and includes a 'Back to Clients List' link. A horizontal tab bar contains 'Profile', 'Account IDs', and 'Notifications', with the latter being highlighted and pointed to by a blue arrow. Below the tabs, a green 'YES' button is visible next to the question 'Do you want to receive text messages from your LDC location?'. A notification banner states: 'All notification settings below are set in your current time zone (UTC-05:00)'. Under the 'Contracts' section, there is a table with columns for 'End of delivery period', 'Mobile Notification' (with a green info icon), 'Email' (with a grey 'X' icon), and 'Schedule'. The 'Schedule' row shows 'Daily', '1', ': 00', 'AM', and 'PM'.

Step 2

Scroll down the page to "Shipments" (shown below). Select the checkbox to enroll in Mobile Notifications and/or Email Notifications.

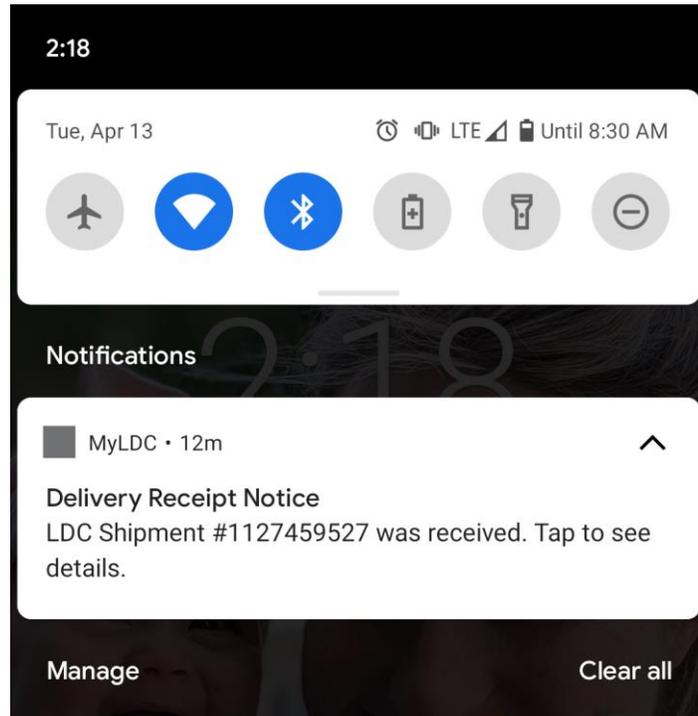

****Mobile Notification requires download of the MyLDC App from Apple or Android AppStore****

Lastly, click "SAVE"

The screenshot shows a web interface for managing shipment notifications. On the left is a dark sidebar with 'Notification Logs', 'SMS Notifications', and 'Terms & Conditions' (with version info '© LDC 2021 v21.4.22305'). The main content area is titled 'Shipments' and has a 'Shipment Details' header. Below this, there are three main notification options: 'Mobile Notification' (checked with a green box), 'Email' (unchecked), and 'Schedule' (set to 'Immediately' in a dropdown). A warning box with a yellow triangle icon says 'MyLDC App required' and contains two green 'DOWNLOAD' buttons with Apple and Android logos. Underneath, 'Additional options' includes two unchecked checkboxes: 'Send a separate notification for my accounts' and 'Send a separate notification per transaction type'. At the bottom left of the main area is a green 'SAVE' button.

If you're having trouble, your local LDC Merchandiser can complete this process on your behalf. Do not hesitate to reach out to get set up.

Example of Mobile Notification

When clicked:

- user will be directed straight to Shipment Details after logging in to MyLDC app.

****Complete list of Quality grades and additional info shown by scrolling down further on the page!**

A screenshot of the MyLDC app interface. The top bar shows the time 2:20, LTE signal, and 70% battery. The app title "MyLDC" and "Shipments" are visible. A navigation link "Go Back To Dashboard" is present. The main content shows "Shipment # 1127459527" with a red "Unapplied" status tag. Below this is a "Shipping Details" section with a table of information. At the bottom, there is a "Grades" section with a table of quality metrics.
